Painting and Installation section

A painting competition for the decoration of 8 fabric sails, which will be installed among the pines of Piazza Lorenzo Viani in Viareggio, at a height of 3.5 meters, creating a decorative dome.

A perforated roof on the square, through which plays of light and shadows will be the masters, giving vent to the most imaginative fantasies of our self.

A painted sky that will accompany this summer in Viareggio through other artistic events that will transform the entire square for the entire summer.

The competition announcement will remain open from 10 July 2022 until 31 July 2022. 8 artists will be selected who will have to create the sails that will be installed high up on the square in a few days. A temporary open-air exhibition, a gift to the city and beyond, the aim is not only the aesthetic regeneration of the square, but at the end of the summer an auction will be held for the sale of sails, the proceeds of which will be donated to some local associations.

THEME OF THE COMPETITION
"ART and FOOD"

Art. 1 - PURPOSE The TAMBÚCA Cultural Association announces an international competition for artists, with the aim of regenerating a public area central to the activities of the Viareggina citizenship: Piazza Lorenzo Viani which is located right in front of the Port Authority of Viareggio, which has already shown a strong sensitivity to the artistic and cultural requalification of the community, supporting the Pescatori di Porte Competition. The project was created to promote and enhance Contemporary Art in relation to the restart of local commercial activities, the interaction of the two, we are convinced, which will increase the tourist appeal and interest in a place that is slowly disintegrating. The area in question is the entire Piazza Lorenzo Viani. The competition provides for the selection of 8 artists who will create their works on canvas shading; the sketches created will then be exhibited in an exhibition at the end of the summer. The two Winners will then be selected who will receive a cash prize and / or goods.

Art. 2 - ADMISSION CRITERIA The competition is open to all artists, of all nationalities, from the age of 16 (the participation of underage artists is subject to the authorization of those who exercise parental authority).
